JB Hotels & Resort

Just Beverly Hotels & Resorts, our mission is to make hotel travel possible for all people, everywhere. For owners who convert existing hotels into a Just Beverly brand or build a new hotel from scratch, we invite you to join us in pursuit of this goal, so wherever people travel, regardless of their income and regardless of their circumstances, we will be there to welcome them. To facilitate the road, we have created an expansive support structure for our owners that is supported by the experience, scalability and distribution of our company with over 40 years of experience.
